- The draw is powered by Clubforce which is a reputable and renowned lottery processing company. The Lotto numbers are drawn at random by the Clubforce system online and are published on our www.lakers.ie/lotto as soon as they are drawn. Lakers staff will then email our lottery winner, and lucky dip winners. Results will also be posted on social media within the hour of the draw.

Where do the lottery funds go?

- Lakers lottery profits will have a 50/50 split. With 50% of the profits from the lottery going to Lakers Club and Activities for our members with special needs, and 50% to be used to float & top up our Jackpot (up to €5000). If the profits reach over the €5,000 Jackpot, the rest of the funds will be put back into the club and member activities. This will ensure a decent lottery jackpot each month & allow for continued fundraising for the club through the lotto.
